

phone laser?

woman act what we gonn? Throw tennis balls down it?

Don't worry -- class act

seh in begin whikgte coat - scientific

then balck curtain part him , down to shoetops, more facts

he shy , smiling

blackout spray fm geriatric research

skit where he's moving man and she's anxious senior cit. . big
box wit it stuck in

pratfalls, pops out , she wrestles into box -- rocks to medley==
novelty nineties -- - show her she'll take care of it--

emerge w her smiling look 20 yrs young.; he gets shy, tries to cover
(need umbrella)

She gets panties and puts on him and they do ballet where sex roles
change aud will love it and tell others and nxt yr doz shows for nuns
--always something ot worry about

story in form of these proposal notes; recepient warns that cycle could
shift and they couldn't play shopping centers.--as it did in 2200
